The minimum annual salaries included in this table only apply to jobs that are eligible for a Skilled Worker visa and that meet the [eligibility criteria](https://www.gov.uk/skilled-worker-visa/when-you-can-be-paid-less) (<https://www.gov.uk/skilled-worker-visa/when-you-can-be-paid-less>).

This table does not include occupation codes that are on the list of eligible health and education jobs. There are [different salary rules](https://www.gov.uk/skilled-worker-visa/if-you-work-in-healthcare-or-education) (<https://www.gov.uk/skilled-worker-visa/if-you-work-in-healthcare-or-education>) if you're applying for a Skilled Worker visa to work in some health and education sector jobs.

The table is sorted in order of occupation code, with the smallest numbers at the top. You may be able to use your web browser to search for it on the page.

If you qualify for the standard rate, because you got your first certificate of sponsorship after 4 April 2024, you should look at the “standard rate” column.

If you qualify for the lower rate, you should look in the “lower rate” column.

You qualify for the lower rate if either:

- you are applying for [a Health and Care Worker Visa in certain occupations](https://www.gov.uk/health-care-worker-visa) (<https://www.gov.uk/health-care-worker-visa>)
- you got your certificate of sponsorship for your first Skilled Worker visa before 4 April 2024 and have continually held one or more Skilled Worker visas since then

If you do not know your job's occupation code, you can search for your job in the [CASCOT occupation coding tool](https://cascotweb.warwick.ac.uk/#/classification/soc2020) (<https://cascotweb.warwick.ac.uk/#/classification/soc2020>).

The annual salaries for these jobs are based on a 37.5-hour working week. They must be pro-rated for other working patterns, based on the weekly working hours stated by your employer.
